

Like I Said! Onions (Pics)

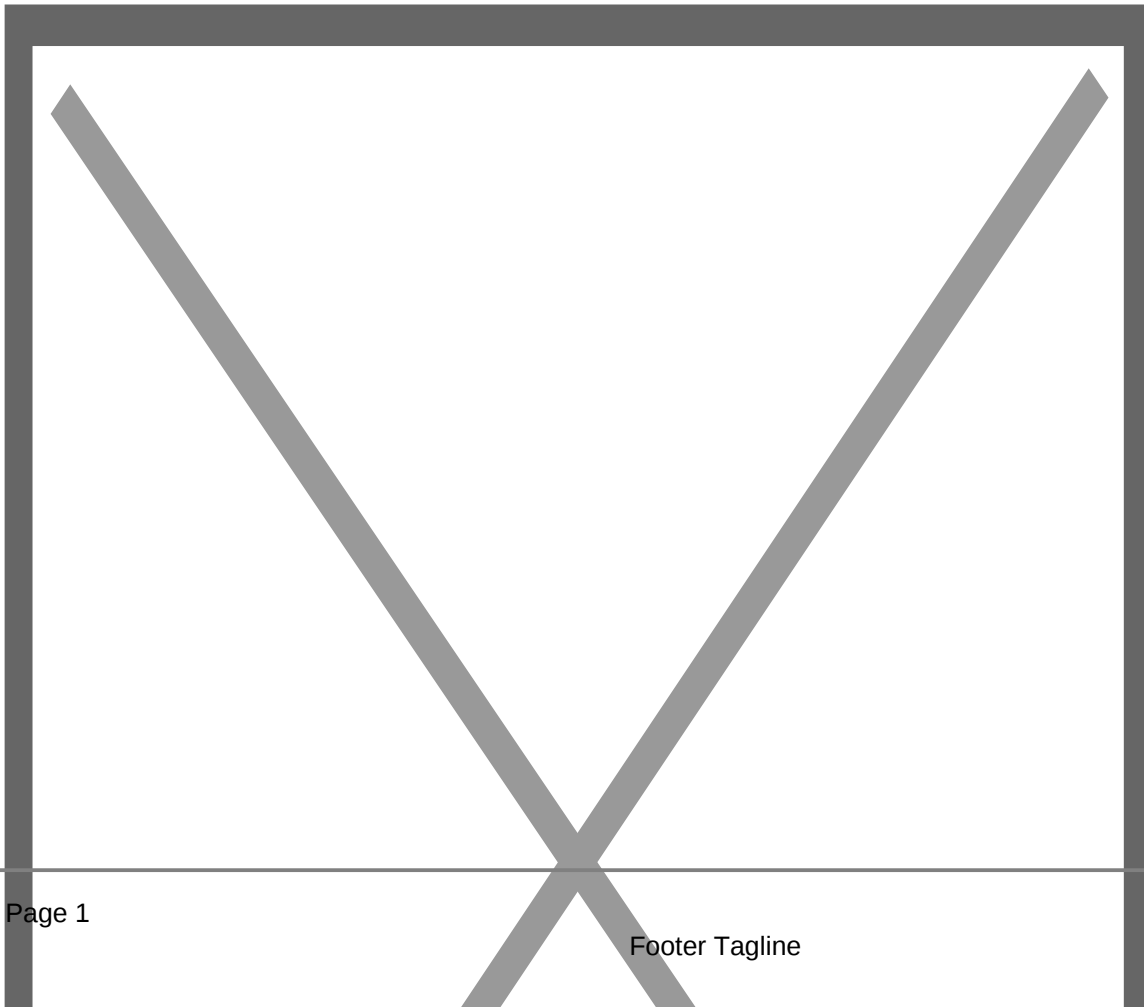

Description

After getting kicked off of a plane Friday morning, I got a stomach bug. Yay me!!! ð???

I'm actually going to blog about Friday's events in the next couple of days, but in the meantime, here I am doing something that was completely OUT of my comfort zone, but has empowered me in innumerable ways. I never considered myself a model material!.. But even I've gotta say, a Damn! on this one. ð???
