

## Coming Out (YouTube)

### Description

I was a guest on my friend Toni's podcast, "From a Man's Point of View" on May 30, 2020.

I created a new YouTube channel and it's **NOT** the old one I had with a profile pic of me in a blue tank top. If I could remember which email address was associated with that account I would delete it. Lol

Click on the link below. Also, my teenage son wrote the title to the video. ð???
